CONGRESSMAN W. R. POAGE

POAGE THANKS PEOPLE OF ELEVENTH DISTRICT

To The Citizens of the Eleventh Congressional District:

You have been extremely kind to me in years past. I have no way of expressing my appreciation except to give you the very best representation I can. I have not forgotten that I am your "hired man". I like my job, and I like my "bosses". I want to continue to work for you, and I am especially grateful that you have placed no opponent in the field against me.

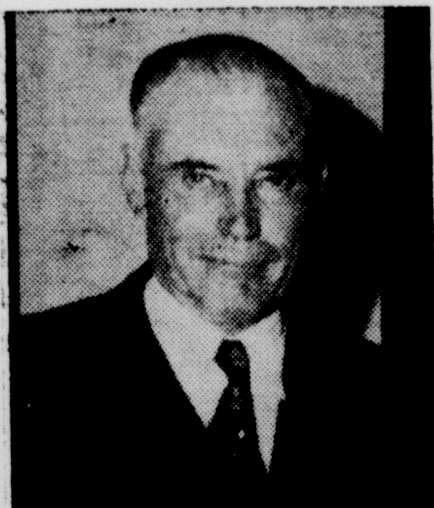

The fact that I am running unopposed does not make me unmindful of my dependence on you, the voters of Central Texas. On the contrary, it makes me most humble and thankful for your confidence.

I hope that I may be worthy of that confidence.

For a long time I have looked forward to having an opportunity to visit my friends this summer, but in view of the President's call for a Special Session of the Congress, it is necessary for me to leave for Washington at once.

With best wishes, I am

Your friend,
W. R. POAGE, Congressman,
11th Texas District.

SEEKS POST OF US SENATOR FROM TEXAS

Coke Stevenson, former Governor of Texas, was in Cameron Tuesday campaigning for the United States Senate.

He was greeted here by a host of personal friends who pledged their support. Stevenson while governor was in Cameron in May 1946 for the opening day of the Centennial celebration. He spoke to thousands in the rain as the three day program commemorating Cameron's 100 years of history got under way.

Governor Stevenson is one of Texas' most colorful political figures. He first came to the stage of action in Texas politics from Junction his home city in Kimble county, as a member of the Legislature. He was in time elected Speaker of the House of Representatives and broke a precedent by becoming the speaker for the second time in succession. His next step up was the office of Lieutenant Governor. He succeeded to the office of Governor when O'Daniel resigned to enter the race for United States Senator. Oddly enough he now seeks the seat held by O'Daniel who has declined to run for re-election.

Stevenson was twice elected Governor and his administrations are accorded the rating of best in the recent history of Texas. After he left the governor's office he went to his ranch near Junction for he loves the hill country. The people of Texas would not permit his retirement so in the course of developments he is making the campaign for United States Senator.

With the candidate were a number of newspaper correspondents.

Herald Plant Will Be Closed 2 Weeks Beginning July 24

The plant of The Cameron Herald will be closed for 2 weeks beginning Saturday, July 24.

It has been the policy of the Publisher to close for vacation periods for employees. The printing trades for years have faced a critical shortage of skilled craftsmen. The result has been that smaller printing industries have been unable to maintain a balanced staff so that substitutes could be made.

In view of this situation we will follow our policy of a number of years. This means that no daily will be published for 12 days and that two weekly issues will be suspended.

Both the daily and weekly will resume publication on August 9. The publishers regret this suspension will interfere with the printing of election results on schedule but all tables showing the vote at each box will be printed in early August.

FRANK HALEY TO GIVE RADIO ADDRESS FRIDAY

Frank M. Haley of Rockdale, candidate for Representative 65th Floterial District, composed of Milam, Burleson and Lee Counties, was wearing the victory smile late Monday while politicking with friends and supporters in Cameron.

Mr. Haley will wind up his campaign Friday with a radio address which was arranged by War Veterans who are friends and supporters. The veterans not only purchased radio time but bought 15 thousand circulars from the Rockdale Reporter to be distributed by airplanes over the counties advertising the radio address.

Mr. Haley will speak from station KWHI Brenham from 7:00 to 7:15 a. m. Friday, July 23. This station 1280 on your radio dial. He will speak again from 1:45 to 2:00 p. m. over station KTAE Taylor which is 1260 on your radio dial.

Mr. Haley said he would discuss his platform in a heart to heart talk with the people of the District.

Mr. Haley, a business man, entered the race because of what he said was an opportunity to do something for the people. "There have been 12 lean years for our people," he said, "old people denied their full pension because of the 35 million dollar ceiling. If I had been a member of the Legislature I would have voted against this. Our teachers were not paid, we have no roads in the 65th District, plenty of them elsewhere. How can the rural district and small towns exist much longer if we do not organize and fight for the simple reason that we pay taxes and get nothing back. The people depend on their representative and in our case we might as well vote for a member of the Legislature in Dallas county."

There are other things in his platform like the Bonus for Veterans. Mr. Haley said that veterans have not been fairly represented in Texas and that if he is elected he will actively support any effective plan that will give them the bonus, or any other benefit to which they are entitled. It is largely upon his frank stand on this and other related questions that has brought War Veterans to his support in all sections of the district.

Since Redistricting is not so much a state issue as it is local, Mr. Haley has had the foresight and the courage to speak out on this. In his first announcement he pointed out that the counties of the 65th District should be permitted to retain what they have, that he deplored the suggestion that redistricting could be done by a Board named by the governor. He was speaking of the Constitutional Amendment which would provide that the Governor name a board if the Legislature in fact did not perform its constitutional duty before 1950. "What chance would small counties like us have with a board named from the populous centers," he asked. "I have never seen anything to compare with this. Why, it simply means that we could lose our courts and have our districts smashed, lose our representation. One bill which came near passing in the last session would have abolished Milam county as a sovereign district No. 64 and placed us with Bell county in a flatorial arrangement. Now, if Lee and Burleson

SGT. FRANK C. CHERNOSKEY

SGT. CHERNOSKEY WILL BE BURIED IN CAMERON

Funeral services for Sgt. Frank C. Chernoskey, 30, will be held in Cameron at 9 a. m. Friday, July 23 at St. Monica's Catholic church with Rev. George J. Duda, conducting.

Sgt. Chernoskey died from wounds sustained in battle near Finschafen, New Guinea on March 21, 1944. He had been an enlisted man in the Cavalry and trained at Fort Bliss before his unit, a crack fighting outfit, went to the Pacific theatre of war.

The body arrived in Cameron at 3:27 a. m. Thursday, July 22 over the Santa Fe and was taken to the Marek-Burns Funeral Home.

The American Legion, Edwin Hardy Post No. 9, led by Post Commander Joe Gerick, will conduct a military funeral.

From the church the body will be taken to St. Monica's Cemetery near by for interment. Members of the Legion will be pall bearers. The body will remain at the Marek-Burns Funeral Home until 9 a. m. Friday.

Sgt. Chernoskey was first buried in the United States Military Cemetery in Finschafen, New Guinea.

Sgt. Chernoskey was a volunteer, having entered the regular army on September 30, 1940. He had lived at Ben Arnold.

Surviving are the following relatives: Mrs. Rosa Chernoskey, mother, Ben Arnold, Steve Chernoskey, brother, Ben Arnold, Mrs. Gladys Hosch, sister, Fantana, California. Half brothers and sisters are: Joe Chernoskey, Ben Arnold, Mrs. Frank Tomek, Cameron, Mrs. Willie Malovich, Buckholts, Mrs. Frances Hoerker, Brenham, Mrs. Maggie Pavelka, Casper, Wyoming.

WEEVIL INFESTATION IN MILAM COUNTY

The boll weevil infestation is on the increase in most parts of Milam County, states J. W. Stufflebume, Jr., County Agent, and cotton farmers are urged to carry out control measures as soon as possible. Fields have been checked in most parts of the county with the infestation running from 20 to as high as 70 per cent. Cotton should be dusted when the infestation reaches 20 per cent, which means that 20 out of every one hundred squares examined have been damaged.

To make an accurate check of their fields, farmers should walk diagonally across the field picking 100 squares at random from the top, middle, and lower limbs of the cotton stalk. The squares are then examined and the per cent infestation determined. This procedure should be carried out at weekly intervals during the weevil season.

Unless the infestation is unusually high, two applications of one of the following insecticides will give good control: Calcium arsenate, 7 pounds per acre; 20 per cent toxaphene, 10 pounds per acre; or 3-5-40 benzene hexachloride at the rate of 10 pounds per acre. The applications of poison should be made at five day intervals.

Dust applications should be made when the air is calm. The presence of dew is not necessary, and the application should be repeated if washed off within 24 hours.

Mr. and Mrs. Sam Terry and children of Houston spent the past week end with their friends and relatives in Cameron.

CAMERON GETS FIRST BALE

CANDIDATES RALLY AT ROCKDALE

WAR WITH RUSSIA NEARING

JOHN A. SMITH FIRST TO PRODUCE IN 1948

The first bale of 1948 cotton was ginned at the Weems gin here Wednesday morning.

John A. Smith brought the bale in from his farm near Branchville. The truck was loaded with 1250 pounds of seed cotton and after the bale was ginned there were 650 pounds of seed.

Robert Weems, owner of the gin, telephoned the Daily Herald that he had received the bale brought in by Mr. Smith. The bale cleared the stands around noon.

The date of the 1948 first bale compares well with early bales in other seasons. The continued dry weather has matured the crop fast and while cotton generally does not need rain hot weather may bring early picking.

The crop estimate for the county may show an increased acreage. Generally plantings are late due to the lack of rainfall in the early season.

COMMISSION DECREES SERVICE TO CONTINUE

The Texas & New Orleans Railroad must operate passenger trains 51 and 52 over their lines through Cameron, it was decreed by the Railroad Commission Monday.

Chairman Olin Culberson in a letter to Judge Dan Tyson revealed the decision reached by the Commission. The decision as written reviews at length the reasons why the Commission has decreed that the railroad company must continue to operate the trains.

Judge Tyson sent his copy of the communication to The Daily Herald early Tuesday so that the people here who are vitally interested could have the good news.

When the T&NO railroad company made application to the Railroad Commission for authority to discontinue the trains protests were filed from all towns from Waco to Yoakum. Almost a year ago a protest meeting was held in Rockdale where delegations from many points converged to demonstrate the temper of the people. All towns north of Cameron would have had no passenger train service whatever since the T&NO is their only rail line. Cameron, Rockdale were more fortunately situated since the Santa Fe runs through Cameron and the Missouri Pacific through Rockdale.

The railroad company wanted to discontinue the trains because they do not make money, in fact lose money. The Railroad Commission did not agree in total with this statement, and in addition feels that the railroad company has some responsibilities to the public which cannot be measured in terms of profits.

So passenger trains from Waco to Yoakum will have to be operated.

Harry Haraway's Western Auto Store Observes Anniversary

Harry Haraway's Western Auto Store is celebrating its eleventh anniversary this week with a big merchandising event.

Mr. Haraway established this store in Cameron in 1937 and except for the months when military service interrupted, he has continuously operated the business. While away Mrs. Haraway managed the store.

Recently Mr. Haraway moved to his present location on East 2nd Street next to the Milam Theatre where he has a brand new store filled with merchandise.

The sale this week to celebrate his 11 years in business is important to buyers. Literally hundreds of items are included in these bargains and all through the store the anniversary celebration says it with lower prices.

SPEAKING SCHEDULE FOR FRIDAY NIGHT

A big political rally and candidate speaking has been announced for Rockdale Friday night, July 23.

Special arrangements were being made to see that all candidates who wish may announce. It will be the first such rally in the county during the present campaign. The rally will close the campaign since Saturday is election day.

Precinct candidates in Precinct 4 originated the plan and they have asked Frank M. Haley, candidate for Representative 65th District to be master of ceremonies.

All county and district candidates are invited to attend this big rally to close out the campaign.

NEAL PARKER SHOOT HIMSELF LATE FRIDAY

J. C. (Neal) Parker, aged 63 years, 4 months and 18 days, took his life by a self inflicted shotgun wound in the chest sometime late Friday afternoon of last week at the home of Robert Bryant, who resides 6 or 7 miles south of Thorndale.

The deceased made his home with Mr. Bryant and as Mr. Bryant was in town all day Friday until late afternoon, he did not know what time the tragedy occurred, however, it must have taken place before Mr. Bryant arrived home late Friday afternoon. Upon arriving home Mr. Bryant went about his usual chores and routine about the place and did not pay particular attention as to whether or not Mr. Parker was in his room and retired at his usual time, however, upon awakening Saturday morning he made breakfast and called to Mr. Parker, and received no response he went into his room and discovered the gruesome scene.

Mr. Parker had tied a piece of bailing wire to a bed post and then attached the other end to the trigger of the shotgun and sat down on the bed and placed the shotgun barrel against his breast and pulled the trigger. The discharge of the gun tore a large hole in his breast with evidently sudden death. Judge E. C. Hoppe held an inquest over the body and rendered a verdict as stated above that death was caused by shotgun wound self inflicted.

The remains were interred in the I. O. O. F. cemetery at Rockdale on Saturday afternoon with the Phillips and Luckey funeral directors in charge of the arrangements.

The deceased was born in Milam County, February 22, 1884, and had made his home in Thorndale for the past several years. Surviving relatives are said to be one brother, Wade Parker of Milano and one son, Cecil Parker of Dexter, New Mexico.—Thorndale Champion.

Disabled Veterans Name Officers

Disabled Veterans of Sam Tyson Post No. 18 have enlisted the following officers.

Valon Fogle, Commander, Frank Mikulec, Vice Commander, John Henry Wilson, Junior Vice Commander, Shirley McLean, Adjutant, M. H. Nance, Treasurer, Homer Allen, Sergeant at Arms and H. B. McClellan, State Committeeman.

The post, organized some two years ago honors the name of Lieut. Sam Tyson, son of Judge and Mrs. Dan Tyson, who was killed in action in the skies over France as a bombardier or a fortress bomber.

Mr. and Mrs. A. A. Kretschmar have returned from an extended vacation tour to Arkansas, Missouri, Kentucky, Virginia and many other adjoining states. They visited Mrs. Kretschmar's people in and near Allen Town, Pennsylvania.

GENERAL CLAY GOES TO SEE PRESIDENT

General Lucian D. Clay, American commander in Germany arrived this afternoon in Washington by air and went directly to the White House to confer with President Truman and other government leaders.

War with Russia seemed imminent.

Secretary of State George C. Marshall said early Wednesday that if war comes Russia will have to start it but that "we will take nothing further from Russia and we will not get out of Berlin.

Meanwhile air raid warnings were put into effect in England.

General Clay, it was said regarded the situation so gravely that he lost no time in getting to the White House.

The United States government was sending greatly increased numbers of jet fighting planes to Germany in the event of need if war comes.

Momentous decisions were said to be in the making in Washington with all western nations taking part.

The Russian blockade of Berlin has precipitated the worst situation in the long series of disagreements with the Reds.

POLIO PREVENTION IN CITY LAUDED BY SWIFT

Dr. Clifford G. Swift, Milam County Health Officer, and director of the recent Polio Prevention campaign in Cameron, told Rotary Club members and their guests Wednesday, that the effort here was a model of community co-operation and the results have been most satisfactory.

Dr. Swift took advantage of his address to express the thanks of the entire committee, commending heartily all the numerous workers who had a share in the work.

Dr. Swift said that 33 trucks were placed at the disposal of the committee and that during the first day 156 loads of refuse from premises in the city were dumped. Later, he said that Mayor Griffith had arranged to have city trucks at a nominal cost take away additional refuse.

Speaking with the accustomed reserve of a doctor when Polio is the topic, Dr. Swift said that too little as yet is known as to the spread and causes of this dread disease. Polio is a virus disease, he said, and doctors have begun experimental vaccination as is done in smallpox and other similar diseases for prevention.

That vaccination may yet prove an effective prevention, he surmised. He said that such vaccinations are not in the least harmful and doctors generally are coming to the point of employing this remedy. Dr. Swift said it was significant that the spread of Polio had been relatively limited where known methods have been applied.

Dr. Swift said that the current Texas epidemic seems more pronounced as to communication of the disease than previous outbreaks and pointed out that 6 cases had occurred in 3 Cameron families, as proof.

Since the vaccinations and the clean up no cases have been reported.

J. O. Hughes and Wife Visiting Here

Mr. and Mrs. J. O. Hughes are here from their present home in Alabama. They expect to return home shortly.

Mr. and Mrs. Hughes own a fine 175 acre farm at Ad Hall and call this their home, always returning to vote here. They both teach school in Alabama.

Each year when they plan to return home the people there insist they take another contract to teach. Those who know them can well understand this for they are fine citizens and have many friends here.

HIGHEST RANKING U S GENERAL TO BE BURIED

(From the Daily)

WASHINGTON, July 16—A mighty military cortege will escort General Pershing to his grave in Arlington national cemetery Monday.

In it will be two elements symbolizing the long span of Pershing's military years—a cavalry horse like those he rode in the Indian wars, a flight of jet fighter planes used in this atomic age.

The army today unrolled the plans for the funeral of the 87-year-old general of the armies and World War I commander, a ceremony equalled in latter years only by that of the burial of the unknown soldier in 1921.

Thousands of men—army, navy, marines and air—will make the four-mile march behind the gun caisson carrying the casket from the Capitol rotunda to Arlington.

At the grave will be many of the famous of this nation—President Truman, his cabinet, high ranking officers of the military service. The list of those asked to come to the funeral include former President Hoover.

Following the casket caisson, to be drawn by six grey horses, will be the somber symbol of the dead cavalryman—a riderless black horse, its trappings black. In the stirrups, reversed with the toes pointing to the rear, will be a pair of cavalry-

man's black boots.

As the procession, with these traditional trappings, moves slowly down Constitution avenue, the flight of eight jet planes will give modern "air cover" for the general on his last march.

Three days of ceremony will attend the general's burial.

On Monday, Pershing will join the other soldiers of World War I who sleep in Arlington, just down the hill from the tomb of the unknown soldier.

Mrs. John Whitley and Mrs. Connie Newman of Silver City were Cameron visitors recently.

REGISTRATION BEGINS WEDNESDAY JULY 21

WASHINGTON, July 17 —Major Gen. Lewis B. Hershey got his old job back today.

He's director of selective service again.

Hershey's formal re-appointment by President Truman was another step toward national preparedness as unrest in Europe continued.

The task of assembling manpower is one with which Hershey is highly familiar.

He first was appointed director of selective service in 1941 and was responsible for setting up the organization under which 10,000,000 men eventually were supplied the armed forces, and under which some 36,000,000 men were registered and classified for military service.

This time Hershey's prime job is the registration of youths 18 through 25 under the new peace-time draft act.

An executive order dealing with

registration will be issued by President Truman next week, the White House announced.

The order in which various age groups will be called among those eligible for service under the draft has not yet been disclosed.

Registration of males from 19 through 25 is expected to begin about Aug. 16.

Only those between the ages of 19 and 25 will be subject to the draft. Meanwhile 161,000 of the 18-year old group can volunteer for a special one-year term of duty in the armed forces.

The army, navy and air force will begin accepting enlistments from 18 year olds beginning next Wednesday July 21.

Enlistment of the 18-year old volunteers will be conducted by regular recruiting officers of each branch of the department of defense.

Mr. and Mrs. Hugh Conway of Alexandria, Louisiana and their grand children from Corpus Christi are spending several days in the home of Mrs. Conway's sister, Mrs. R. L. Batte and family.

Phone your news items to 282.

NO DRAFT BOARD HAS BEEN SET UP HERE

No draft board had been announced for Milam county so far as this newspaper could ascertain Monday.

With registration of young men announced to begin on July 21 local observers felt the time is short in which to organize such a board or to get information to the men in time.

Whether registration was to be undertaken in zones throughout the country and a later date fixed for this area, could not be learned.

Under the peace time draft legislation normally only one board would be set up in a county. During the war years two boards were necessary in this and similar counties.

Gladys Martin spent the week end in Austin with friends.

Lee Roy Massengale, Jr. little son of Mr. and Mrs. Lee Roy Massengale, Sr., is ill in Hilcrest Memorial Hospital. The baby is 2½ years old.

JIM GRIFFIN VISITS IN CAMERON FRIDAY

Jim Griffin of Hidalgo county, but an up-state Texan, who was born in Kaufman county, was in Cameron Friday.

He is a candidate for State Commissioner of Agriculture. Mr. Griffin said he had visited every county in Texas and had met with so much encouragement he felt he would surely win his race.

The people of Texas have stood for a lot of things from the present Commissioner. His latest involvement is an indictment by a federal Grand Jury. J. E. McDonald has held the office for many years, has been as lucky as any man who ever lived. He has won so many contests he seemed unbeatable. McDonald was indicted by a federal grand jury and must stand trial for violating a federal law relating to registration of operative in stock market.

McDonald not only failed to comply with the law he was revealed as a speculator in farm commodities on the exchanges for having sought to influence legislation that would aid him to make money as a private speculator while holding a public

office and that of agriculture commissioner.

McDonald has notoriously flouted his Democratic pledges. He wins in a Democratic Primary and votes Republican in November.

The voters of Milam county have long since caught up with McDonald. Mr. Griffin, a young man, tall, strong and good looking, in fact could double for Wild Bill Elliott of the films, but he is a dirt farmer, born to the soil and just about the best prospect that has come along in years to take over a job long neglected.

Mr. Griffin was born in Kaufman county on a farm near Kemp in 1917. As a boy he worked on the farm while attending Kemp schools. He graduated from Kemp High School after winning state championship in extemporaneous speaking. The farm boy was coming along. He worked his way through Sam Houston State Teachers College at Huntsville, majoring in Agriculture. He was a teacher at Sugarland for 4 years. He entered the U. S. Maritime service after special war duty with the United States Department of Justice. He is a successful farmer at Misison, Texas.

Griffin is a good campaigner. He has made one of the most remarkable campaigns in the history of the state,

THE CAMERON HERALD

a man to man canvas. Around the square Friday he handed out more cards than some candidates give away in an entire campaign. He said for the first time McDonald is bottled up. If he campaigns or uses the newspapers he faces the embarrassing recurring statements that he is under federal indictment.

Mr. Griffin said: "A public official should be a public servant. The office of State Commissioner of Agriculture must be returned to the people of Texas."

Drew Pearson Says U S Won't Back Down In Berlin Crisis

Secretary of State George Marshall has informed President Truman the Berlin situation is "so grave hostilities could begin any moment," Columnist Drew Pearson said in his Sunday broadcast.

Pearson said the President believes, however, that Russia will back down and that war will be averted. Both agree the United States cannot afford to back down, the columnist added.

Noting that the State Department was maintaining around-the-clock contact with officials in Europe, Pearson said Marshall personally vetoed as "too dangerous" proposals that the Allies arm a train and attempt to ram through the Soviet blockade around the German capital.

Tokyo Ceremony Unites In Marriage Burlington Man and Oregon Girl; Army Chaplain Performs Nuptials In The Capital of the Mikados

GHQ SPECIAL NEWS SERVICE, TOKYO, JAPAN—The GHQ Chapel Center was the scene of one of Tokyo's loveliest spring weddings, when on Tuesday, May 25, 1948, at four p. m. in a double-ring, candlelit ceremony, Miss Joan Racanelli, of Portland, Oregon, became the bride of Army Technician Fourth Grade Edward L. McCollum, of Burlington.

Reading the solemn and beautiful Protestant nuptials, was Army Chaplain (Lt.) S. L. Armstrong, of Montgomery, Alabama. In this, his 72nd wedding ceremony performed in service, Chaplain Armstrong united the couple whose introduction and courtship in this theatre, culminated in marriage.

The pair repeated their vows before an altar decorated with candlebra, Callah Lillies, and other seasonal blossoms. Preceding the ceremony, the chapel, organist played traditional wedding hymns, and favorite selections of the bride and groom.

Pretty, dark-haired Miss Racanelli, was given in marriage by Technician Fourth Grade Lawrence Donahue, presently attached to General

MacArthur's Headquarters in Tokyo with the Adjutant General's Distribution Branch. The bride chose a suit of pale Grey gabardine, fashioned on fitted, tailored lines, with a dress-maker motif. She wore white accessories, and a large white orchid pinned to her shoulder.

Miss Edna Warren, Portland, Oregon, friend of the bride, was Bride's Maid. She chose a Coral gabardine suit, styled on the same lines as the bride's, with navy blue accessories. Her corsage consisted of pale yellow tea roses. Miss Warren is employed as Department of the Army Civilian at General MacArthur's Headquarters in Tokyo with the Economic Scientific Section.

Performing the duties of Groomsman, was Technician Fourth Grade Lawrence Donahue, friend of the Groom, who also gave the bride away.

Following the ceremony, a reception was held for a few friends in the club-rooms of the Chapel Center. There the newly-weds cut their four tiered wedding cake. Present were members, and Section Chiefs,

of the Bride and Groom's offices in Tokyo.

Journeying to the famed luxury resort, Gamagori, on the Japanese Riviera, the pair spent their honeymoon at one of the more picturesque resorts in the world, Tec. 4 and Mrs. McCollum will make their home in Tokyo.

The former Miss Racanelli, is the daughter of Mrs. M. Racanelli, of 3957 S. E. Cora Street, Portland, Oregon, and Mr. John Racanelli, of Box 380, Bonneville, Oregon. Tec. 4 McCollum is the son of Mr. and Mrs. Lee McCollum, of Box 99, Burlington, Texas.

Prior to arriving in Japan, at General MacArthur's Headquarters in Tokyo, Miss Racanelli was employed with the Farmer's Automobile Insurance Exchange in Portland, Oregon, as Underwriter. She arrived in Tokyo on October 8, 1946, and is a Department of the Army Civilian employee. Her present assignment is with the Natural Resources Section of General MacArthur's Headquarters in Tokyo as Stenographer.

Tec. 4 McCollum is a member of the Allied Occupation Forces in Japan. He arrived at General MacArthur's Headquarters in Tokyo during July, 1946. His present assignment in this theatre is as Distribution Clerk in the Adjutant General's Distribution Branch.

Mrs. A. B. McFarland Recent Bride Is Honored At Shower

Mrs. Hugh Ridout and Mrs. Earl C. McFarland were hostess to a miscellaneous shower honoring the recent bride, Mrs. A. B. McFarland at the home of Mrs. Hugh Ridout Friday evening at 8 o'clock.

Bouquets of colorful season flowers were placed at vantage points throughout the living room.

Miss Beatrice Tindall registered the guests in the bride's book as they arrived.

Many enjoyable games were played.

The honoree was presented with a larger container of many lovely and useful gifts, who expressed her sincere appreciation in a very charming manner.

Those receiving the delicious refreshments of ice cream and cake were: Mr. and Mrs. Wesley Pratt, Mrs. Wade Tindall, Mrs. W. E. Braden, Mrs. Loraine Arnold, Mrs. Minnie McFarland, Mrs. Virgie Gill, Mr. and Mrs. Douglas Barron, Johnnie Louise Tindall, Mr. and Mrs. John Tindall, Mr. and Mrs. J. K. Elliott, Mr. and Mrs. Earl C. Luncheon Announces Approaching Wedding Of Rebecca Jo Lewis

Mrs. Drayton Melane and Mrs. O. B. Harden were hostesses at a luncheon Wednesday at the home of Mrs. O. B. Harden, 3112 North Harding, announcing the approaching marriage of their niece Miss Rebecca Jo Lewis to Richard Nicholas Brennan.

Miss Lewis is the daughter of Mrs. A. J. Lewis, 616 West Main and the late A. J. Lewis. Her fiancé is the son of Mrs. Bessie Brennan of Milano and the late R. Brennan.

The announcement "Rebecca Jo and Nick, August 1st", was made on the reverse side of the place cards.

The dining table was covered with a white cloth and the centerpiece was white carnations and greenery, flanked with white tapers in silver holders. Places were laid for: Miss Lewis, her mother, Mrs. Brennan, Misses Patsy Esslinger, Charlotte Childress, Margaret Matula, Veronica Michalka, Carrol Canady, Marjorie Denison, Marion Brewer, Olivia Lehman, and Lee Hage of Austin.

Walker Family Holds Reunion In Temple City Park Sunday

The Walker family held their annual reunion at Temple City Park on Sunday, July 11, where a picnic dinner was served to the following: W. T. Walker and wife, formerly of Maysfield but now of Port Arthur and their four children of Port Arthur, Elvin Walker and two children Buzz and Spazz, Emory Walker and wife, Maurice Walker and family, Opal Ruth Rumm and daughter, Sharon Lee, Dave Server and family, and Martin Server and wife from West, Texas, Tom Short of Port Arthur, G. B. Walker and family of Houston, Willard Walker also of Houston and Ruth Walker of Wichita Falls.

The reunion is an annual affair and is held in July of each year.

Mr. and Mrs. Dave Server and family will visit with their daughter, Mrs. Hattie Short and W. T. Walker and family in Port Arthur for two weeks before returning to their homes.

Miss Doris Powell And Frank Hanel Married Here July 7

Miss Doris Powell, daughter of Mr. and Mrs. D. B. Powell, and Herman Hanel, son of Mr. and Mrs. Frank Hanel, were married at St. Monica Catholic church, Wednesday morning, July 7. Rev. George Duda, pastor of the church performed the double ring ceremony before an altar banked with marigold and fern.

Miss Christine Michalka, organist, played the traditional wedding marches and the wedding music. "Ave Maria" was sung by the choir.

The bride wore a white satin gown with a finger tip veil of illusion. She carried a white prayer book topped with a nosegay of gladioli and sweet-peas. Her only jewelry was a gold cross. The cross and prayer book belonged to the bridegroom's grandmother, the late Mrs. Anton Kunz, who used the prayer book in her wedding in 1884.

Maid of honor was Miss Rita Hanel sister of the groom. She was dressed in a blue dotted swiss gown, fashioned like that of the bride, and carried a bouquet of pink gladioli. Bridesmaids were Miss Dottie Hanel, sister of the groom, and Miss Katherine Sutter. They wore gowns like that of the maid of honor.

Clarence Hanel, served his brother as best man, Eugent Mitcham and James Kunz attended the bridegroom.

George Hollas and Pete Kunz served as ushers.

A reception was held at the home of the groom's parents. The dinner table was laid with a white lace cloth and centered with the three tiered cake, topped with a miniature bride and groom. White asters and fern were laid in rows the length of the table.

The bride graduated from Yoe High School in the 1948 class. The bridegroom graduated in 1944 and spent two years in army air corps.

After a wedding trip to Son Antonio, the couple are making their home here where Mr. Hanel is in business.

Reunion of Posey Family Held Here Sunday, July 4th

Mrs. McCoy received many beautiful and useful gifts.

Mrs. Balhorn Is Hostess to Leisure 42 Club Thursday

Mrs. W. W. Balhorn was hostess to the 42 Leisure club at her home Thursday. Guests were Mesdames: Roy Vaughan and Leo Hollas. The Club was happy to have one of their charter members back, Mrs. V. E. Lesikar, who is recuperating from

an operation.

The president, Mrs. Henry McLane presided at the business meeting with the secretary reading the minutes and the treasurer giving her reports.

During the social hour games of 42 were played with Mrs. Leo Hollas winning high score, Mrs. John Matyastik, second high and 84 went to Mrs. Leo Laake. Table cuts went to mesdames, Lesikar, Slama and Hollas.

A beautiful color scheme of pink roses was carried out in decorating. The hostess served a refreshing ice course of homemade ice cream and cake. She was assisted by Mrs. Henry McLane.

Mr. and Mrs. Bill Marek of Cameron left Wednesday for an extended tour to New Mexico, California, Colorado and many other places of interest. They plan to be gone three weeks.

Mrs. Billie Steussel Honored At Shower At Matyastik Home

Mrs. Billie Steussel of Temple, the former Bernice Doskocil was honored with a miscellaneous shower Friday at the Matyastik home at Clarkson, the home was beautifully decorated with United State flags.

Miss Mildred Matyastik, registered the guests as they arrived. She wore a black net gown with silver slippers. On the table that held the guests book, was a beautiful doll bride dressed in white nylon and a long train veil, 47 guests registered.

Misses Norma Ann Johns and Dorothy Doskocil, sister of the bride greeted the guests. Both girls wore evening dresses, Miss Johns wore a white eyelet embroidery and Miss Doskocil an aqua moire taffeta with white slippers.

The bride was dressed in white and brown sharkskin with white accessories, her corsage was of white gardenias.

Both the bride and groom mother's were there, Mrs. Doskocil and Mrs. Steussel were dressed in white and brown stripe seersucker frocks.

Mrs. John Matyastik directed the games, prizes going to mesdames: Henry Litzman of Burlington, Bill Becker of Walkers Creek, Herman Barkemeyer of Clarkson and Miss Marie Litzman of Burlington. They all in turn presented them to the bride.

Miss Mildred Matyastik gave the toast to the bride and Miss Norma Ann Johns gave a reading "The Boys left behind".

The bride was asked to come into the beautiful dining room where the table was covered with an Eru Lace cloth, and many beautiful and useful gifts were waiting to be unwrapped for a lovely bride. Misses Dorothy and Norma Ann clipped the ribbons on the package and passed them to Mildred, she in turn passed them to the bride. After the gifts were all unwrapped and the guests viewed them, the bride thanked each one in her charming manner.

Mrs. Matyastik was assisted by Mrs. Joe Hauk, and Misses Dorothy Doskocil, Norma Ann Johns and Mildred Matyastik in serving chicken salad on lettuce, pickles, stuffed olives, potato chips, Ritz and Angel Food cake with punch. Plate favors were miniature brides. The napkins were white with Gold lettering inscribed in the corners "Bernice and Billie Lewis".

Mrs. Steussel, daughter of Amos Doskocil is stenographer at Scott and White Hospital in Temple. She will continue her work.

Billie Lewis, son of Mr. and Mrs. Ed Steussel of Burlington is employed at the American Desk Co. in Temple. The couple were married May 16, 1948. Their many friends wished them a lot of happiness.

town each night till Monday night then Rev. Bledso will have charge the rest of the week. The public is invited to attend and help with the meeting.

CHRISTIAN SCIENCE SERVICES

"Truth" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, July 25.

The Golden Text is: "Ascribe ye greatness unto our God. He is the Rock, his work is perfect: for all his ways are judgment: a God of truth and without iniquity, just and right is he" (Deuteronomy 32:3, 4).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "All the paths of the Lord are mercy and truth unto such as keep his covenant and his testimonies" (Psalms 25:10).

The Lesson-Sermon also includes the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "No wisdom is wise but His wisdom; no truth is true, no love is lovely, no life is Life but the divine; no good is, but the good God bestows" (page 175).

Mr. and Mrs. Paul Repa of Granger spent the past week end with their children in Cameron.

PRESIDENT PUTS THE GOP ON THE SPOT

A whooping political battle in the nation was whipped up Thursday when President Truman issued a formal call to convene the Congress and at the same time challenged the Republican controlled body to make good on their platform and also to do the things they failed to do in the 80th session.

The formal date of the assembly is July 26.

The President has indicated he will submit: Civil rights, price control, housing, federal aid to schools, broadened social security, a boost in minimum wages, and a law permitting a decent basis for admission of displaced persons from Europe.

All these proposals are steeped in controversy.

Senator Albin Barkley of Kentucky praised the action of the President as "a courageous and proper thing to do."

Miss Beatrice Tindall of Harlingen is spending this week in Cameron with her parents, Mr. and Mrs. John Tindall and other relatives. Miss Tindall is a student nurse at the Baptist Hospital in Harlingen.

STRONG AMERICAN NEED IN WORLD SAYS POAGE

Congressman Bob Poage is certain that if America remains strong that Soviet Russia will be more strongly impressed than if we as a people rely on the Marshal Plan and other subsidies to foreign countries.

Poage took advantage of a courtesy to Lions Club members here Tuesday evening to discuss the world outlook and the work of the 80th Congress.

The occasion of the address was the annual Ladies Night program with installation of officers for the new year.

Judge Dan Tyson introduced the Congressman and in his remarks told about the activities of the Lions Club. He is the retiring President.

The Congressman on his visit here revealed that he will leave shortly for Rome where he will attend the session of the Parliamentary Union. He had been advised by Senator Barkley that he had been named one of the delegates from the United States.

Mr. and Mrs. Hugh Ridout and Beatrice Tindall spent Saturday in the home of Mr. and Mrs. Julian Harris of Waco.

Mr. and Mrs. Jack Cammer and daughter, Sharon are on a two weeks vacation trip to New Mexico and Carlsbad.

WORLD ORGANIZATION PUTS ON PRESSURE

The Security Council of the United Nations ordered the war in the Holy Lands between the Jews and the Arabs to cease within 3 days.

The action came late Thursday night after a 3 day debate. The action was the first to take place under the World organization to preserve the peace. The Security Council is empowered under the charter to apply force if necessary to stop wars and conflicts involving arms.

The Jews indicated they would be inclined to obey the order. The Arabs had made no response to the order.

If either side disregards the order, under the charter it would be called a breach of the peace. Then would follow, if the nations have courage, armed intervention or sanctions. The latter were ineffective to stop Italy in the undeclared war on the Ethiopian empire in Africa.

Soviet Russia as usual refused to support the order, abstaining from a vote. Syria cast the lone vote against the action.

Kenneth Marak Gets Laughs at College; IS A&M Cartoonist

COLLEGE STATION, July 16—Keneth J. Marak, son of Mr. and Mrs. J. L. Marak, Cameron, gets more laughs than any other student at Texas A&M College. Marak is chief cartoonist of The Battalion, student newspaper. He also draws cartoons for The Longhorn (college annual) and for three student magazines, The Commentator, The Engineer, and the Agriculturist.

A senior architectural student, Marak has been drawing for college publications since last spring. This summer he has a weekly feature "Question of the Week" which satirizes everything from professors to movie-goers. The drawings are so well done that some students find it hard to believe the pictures are created by one of their fellows.

Mr. and Mrs. Alvin Witcher and son Bobbie are spending a few days with relatives in Dallas while on a two weeks vacation. Mr. Witcher is with the Railway Express of Cameron and Mrs. Witcher is employed at Specialty Shop.

Firemen Here Hold Annual Barbecue

Cameron Volunteer Firemen held their annual barbecue at National Hall Thursday night.

Guests for the evening included city officials, Highway Patrolmen and their wives.

As has been his custom of years E. Vogelsang furnished the meat for the Barbecue. The Firemen here always appreciate the help given by Mr. Vogelsang.

A dance followed the barbecue.

SEN. BARKLEY IS VICE PRESIDENT NOMINEE

President Harry S. Truman was nominated in Philadelphia on the first ballot, receiving well over 900 votes.

Waiting at the convention hall the President whose special train arrived in the city while he was being placed in nomination. A few minutes later, with Mrs. Truman and daughter, Margaret, the President left the train and went to the convention as thousands cheered standing in a driving rain.

Senator Richard B. Russell of

Georgia the only other contender for the nomination received the votes of southern states, including Texas.

Senator Albin W. Barkley of Kentucky, veteran party leader, was nominated for Vice President on the first ballot after many distinguished convention leaders had seconded his nomination including James A. Farley, former Chairman of the National Committee.

The President and Senator Barkley, in the wee hours of the morning, accepted their nominations. When Truman was placed in nomination a demonstration was set off and it was with difficulty an hour later that Chairman Sam Rayburn restored order.

In accepting the nomination the President threw a bombshell by announcing that he would call Congress into session to give the Republicans a chance to make good on their platform. The President takes the position that the Congress, controlled by the Republicans, missed their chance during the 80th session.

Delegations from Mississippi and Alabama left the convention in protest over Truman's nomination. A call was issued by the governor of Mississippi for a conference next week to organize a southern party.

President Truman received 947 votes and Russell received 263 votes.

The Texas Delegation, sent unopposed and under the leadership of Governor Jester, floundered all over the convention, finally casting the Texas vote for Russell of Georgia. Texas is bound by the Brownwood convention to support Truman because he is the nominee.

Southern delegates took a beating over civil rights and the tidelands oil and plan a revolt.

RUSSIA REJECTS 3 POWER PROTESTS

Russia has rejected the 3 power protests over Berlin blockade and in addition has countered with another restriction on travel.

Russia has accused the countries of United States, Britain and France with violation of an agreement by advocating a central government for Germany. Grave views were taken Thursday over developments.

The Reds said they would discuss the situation only if the other powers would agree to a 4 power control over Germany. This would give Russia a little veto over all actions and thus perpetuate the Red smear of the peace sought in Europe.

The stage was being set for a complete showdown. Unless the Diplomats give in to Russia trouble was certain to occur, if the Reds persist further. The alternative might be war.

Esslinger Announces New Red and White Store For Cameron

Esslinger's Grocery in Cameron announces to-day a new Red & White Store for Cameron.

In taking on the Red & White system the Esslinger Store is holding a 3 day sale, lasting through Saturday.

Mr. Esslinger who recently bought the Green & Boedeker grocery and market across from the federal building, has installed much new equipment, notably fruit and vegetable refrigeration units. The store has been completely reconditioned.

Advance methods in grocery store merchandising is a feature of the Red & White system, plus buying advantages. Mr. Esslinger in thanking his customers for their patronage is beginning his 12th year in the grocery business here. He invites you to the store for special reasons during the next 3 days.

Mr. and Mrs. W. A. Engelke and little son of Houston spent the past week end with their grandfather, W. O. Fisher of Hanover.

Mrs. Garrett Beckhusen of Buckholts made a business trip to Cameron one day this week.

Swimming Pools Will Be Left Open Houston

HOUSTON, JULY 14 — The city and state health departments have agreed that swimming pools and the current polio outbreak in Texas are in no way connected.

City Health Officer Dr. Fred K. Laurentz said today he had discussed the matter with V. H. Ehlers, director of sanitary engineering of the State Department of Public Health.

Ehlers advised Dr. Laurentz that the department's standard procedure has been to recommend that swimming pools remain open, so long as they are conducted properly and chlorinated regularly.

WHY LABOR BOSSES ENDORSE THE OPPONENT OF... JUDGE JOHN A. RAWLINS

Candidate for Associate Justice Supreme Court of Texas

JUDGE JOHN A. RAWLINS

★ It is recorded May 9, 1945, in 188 S.W. Reporter 2d series, page 276, that James P. Hart, opponent of Judge Rawlins, was one of the attorneys for the labor unions in their unsuccessful and ill-advised attempt to enjoin the State Officials from enforcing the Texas law regulating labor unions, which was passed with the view of protecting public interest.

★ The Appellate Court, in upholding the law forbidding the unions from collecting work permit fees from non-union employees, reorganized the policy expressed by the Legislature in the preamble to the Act: "The right to work is the right to live."

★ Judge John Rawlins is under no obligation to either labor or capital. He is now completing 20 years of service as a State Trial Judge. He is a family man, a World War veteran, and a church worker. He has the endorsement of the Dallas Bar Association and is interested only in administering the law fairly and impartially in the interest of the public at large. He is a graduate of Texas University and Texas Christian University.

WHAT "Stepping Down" MEANS TO YOU

How the New Hudson, America's most streamlined car with the low silhouette, brings you roominess and comfort never before obtainable in an automobile.

You've seen them flashing by in all their sparkling color—those trim, gorgeous New Hudsons with the low, streamlined silhouette.

But have you really examined one of these amazing cars? They are the big news in the automobile world today!

Hudson, always known for great forward steps in the development of the automobile, and for efficient use of motive power, is again way out ahead with a motor car that hits a new high in efficient use of space—that makes a greater percentage of its total space actually available for your use and comfort.

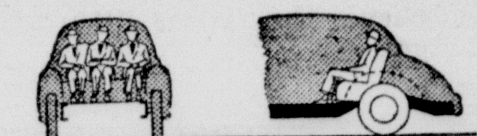

When you take a close look, you'll find that Hudson, through the use of a new, exclusive "step-down" zone, reclaims so much usually wasted space that this sensationally efficient car gives you more useful interior room than you've ever before experienced in an automobile.

This new kind of motor car has a sturdy foundation structure surrounding the passenger compartment, which permits the floor to be recessed down within the base frame so that you step down when

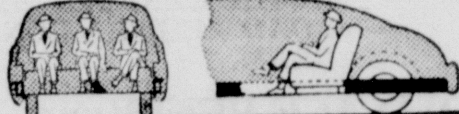

entering. This makes space between frame members, which is usually wasted, available for use inside the car.

Seats can thus be lowered to harmonize with the new, lower top, and by stepping down into Hudson, which is only five feet from ground to top, you get more head room than in any other mass-produced car built today!

And how about seating room? Hudson's new design reclaims space formerly taken up by wheel housings and protruding fenders. This is accomplished by placing rear seats ahead of the rear wheels, in a zone unrestricted by wheel housings. As a result, rear seats are 15 inches wider in this car than in any other car. Both rear and front seats extend the full width of the body, giving Hudson the roomiest seats in any American-made car! Hudson's use of the "step-down" zone and unique seating arrangements are illustrated in the sketches that follow:

OTHER CARS—Passengers ride on top of a frame, as shown above, and (in the rear seat) between rear wheel housings, which occupy space that should be a part of seating room. Riding on top of a frame means that essential head room must be reduced if the roof is lowered for streamlining.

NEW HUDSON—You ride cradled down within Hudson's base frame, as shown above, and also ahead of the rear wheels. Seats can therefore extend full width of the car. Due to the use of the "step-down" zone, roof is lowered for streamlining, yet ample head room is provided.

The New Hudson even reclaims the unused space in doors by providing gorgeously tailored, recessed compartments where interior door handles, window cranks, ash receivers, and generous arm rests are placed out of the way to allow increased elbow room for passengers.

This development of Hudson's exclusive, all steel Monobilt body-and-frame* with its "step-down" zone required years of engineering work, the perfection of new production techniques and millions of dollars in highly specialized new plant investment. This may be why Hudson, and Hudson alone, offers this important advance today!

"Stepping down" is so important to motor-car beauty, riding qualities and safety—as well as roominess and comfort—that the nearest Hudson dealer has a booklet—yours without obligation—fully explaining this design principle. Hudson Motor Car Company, Detroit 14.

"That could occur not only in Milam but in Burleson and Lee as well, but bear in mind that the Representative District does not have the same county lines as the Judicial Districts. In this situation of course Milam county would lose everything she now has in one of the oldest and ablest administered Judicial Districts in the state. LET'S RE-ELECT

HENRY G. LEHMAN

Floterial Representative

for Milam, Burleson, and Lee Counties

HE HAS PROVED HE IS QUALIFIED TO REPRESENT YOU BY THE RECORD HE HAS MADE BY HIS VOTE AND SUPPORT OF THE FOLLOWING MEASURES IN THE INTEREST OF THE PEOPLE

FARM TO MARKET ROADS

HE HAS VOTED FOR FARM TO MARKET ROADS. In 1941 he introduced and helped pass a bill giving ONE HALF OF SURPLUS MONIES in Highway Fund to THE COUNTIES. The record will show he has voted for the same law each term that he has served, whereby his 3 counties have received their share of money each year since 1941. HE HELPED PASS A NATURAL RESOURCE TAX THROUGH THE HOUSE OF REPRESENTATIVES RAISING 30 MILLION DOLLARS BUT THIS BILL DIED IN THE SENATE. HAD EVERYONE VOTED AS HE DID ON FARM-TO-MARKET ROAD LEGISLATION WE WOULD BE ENJOYING A GOOD ROAD BUILDING PROGRAM.

OLD AGE PENSIONS

HIS RECORD IS 100% FOR THE OLD AGE CITIZENS. In 1945 he voted for and helped raise the maximum pension grants from \$30.00 to \$45.00. In 1947 he voted to remove the 35 million dollar ceiling. He is proud of the increase that has been given the old age citizens since 1937 when he first took office. THESE ARE NOT PROMISES BUT FACTS FROM THE RECORD.

SCHOOLS

He has voted for all bills increasing the salaries of our teachers and provided more money for our schools and colleges. The last legislature RAISED OUR EDUCATIONAL STANDARD to the highest level in the history of our state.

VETERANS BONUS

He voted in favor of submitting a Constitutional Amendment FOR A BONUS TO THE VETERANS OF WORLD WAR I & II. He has also supported all other veteran legislation.

TRACTOR GASOLINE TAX

He has successfully fought all attempts to take away from the farmers the Tractor Gasoline Tax Refund. He believes the farmer SHOULD NOT HAVE TO PAY THE TAX on gas used in his tractor.

OPPOSES RE-DISTRICTING

He has fought all attempts to re-district the state INCLUDING THE PROPOSED CONSTITUTIONAL AMENDMENT CREATING A BOARD TO RE-DISTRICT THE STATE. These bills had for their purpose taking away a number of Representatives from the rural sections and giving them to the larger cities. None of these bills have been fair to the district he represents.

EXPERIENCE

His experience best equips him to represent you. If you as an individual have a problem, he knows how and where to go to get the job done. For example, if you had a case in court, we know you would want an experienced lawyer to handle your case. A very considerable amount of important proposed legislation is scheduled for the next term and for this reason we desperately need the services of a veteran Legislator and Business Man like Henry G. Lehman. We urge you to vote to re-elect

CONGRESSMAN W. R. POAGE

POAGE THANKS PEOPLE OF ELEVENTH DISTRICT

To The Citizens of the Eleventh Congressional District:

You have been extremely kind to me in years past. I have no way of expressing my appreciation except to give you the very best representation I can. I have not forgotten that I am your "hired man". I like my job, and I like my "bosses". I want to continue to work for you, and I am especially grateful that you have placed no opponent in the field against me.

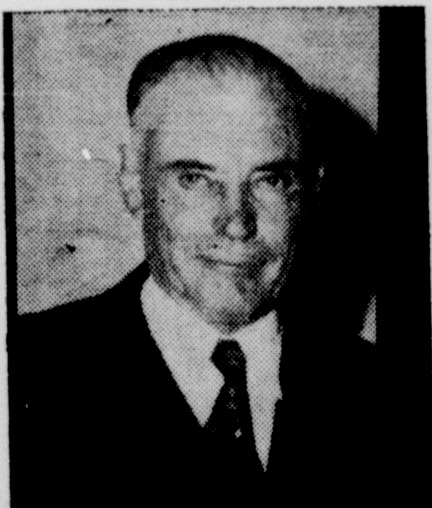

The fact that I am running unopposed does not make me unmindful of my dependence on you, the voters of Central Texas. On the contrary, it makes me most humble and thankful for your confidence.

I hope that I may be worthy of that confidence.

For a long time I have looked forward to having an opportunity to visit my friends this summer, but in view of the President's call for a Special Session of the Congress, it is necessary for me to leave for Washington at once.

With best wishes, I am

Your friend,
W. R. POAGE, Congressman,

SEEKS POST OF US SENATOR FROM TEXAS

Coke Stevenson, former Governor of Texas, was in Cameron Tuesday campaigning for the United States Senate.

He was greeted here by a host of personal friends who pledged their support. Stevenson while governor was in Cameron in May 1946 for the opening day of the Centennial celebration. He spoke to thousands in the rain as the three day program commemorating Cameron's 100 years of history got under way.

Governor Stevenson is one of Texas' most colorful political figures. He first came to the stage of action in Texas politics from Junction his home city in Kimble county, as a member of the Legislature. He was in time elected Speaker of the House of Representatives and broke a precedent by becoming the speaker for the second time in succession. His next step up was the office of Lieutenant Governor. He succeeded to the office of Governor when O'Daniel resigned to enter the race for United States Senator. Oddly enough he now seeks the seat held by O'Daniel who has declined to run for re-election.

Stevenson was twice elected Governor and his administrations are accorded the rating of best in the recent history of Texas. After he left the governor's office he went to his ranch near Junction for he loves the hill country. The people of Texas would not permit his retirement so in the course of developments he is making the campaign for United States Senator.

With the candidate were a number of newspaper correspondents.

Herald Plant Will Be Closed 2 Weeks Beginning July 24

The plant of The Cameron Herald will be closed for 2 weeks beginning Saturday, July 24.

It has been the policy of the Publisher to close for vacation periods for employees. The printing trades for years have faced a critical shortage of skilled craftsmen. The result has been that smaller printing industries have been unable to maintain a balanced staff so that substitutes could be made.

In view of this situation we will follow our policy of a number of years. This means that no daily will be published for 12 days and that two weekly issues will be suspended.

Both the daily and weekly will resume publication on August 9. The publishers regret this suspension will interfere with the printing of election results on schedule but all tables showing the vote at each box will be printed in early August.

FRANK HALEY TO GIVE RADIO ADDRESS FRIDAY

Frank M. Haley of Rockdale, candidate for Representative 65th Floterial District, composed of Milam, Burleson and Lee Counties, was wearing the victory smile late Monday while politicking with friends and supporters in Cameron.

Mr. Haley will wind up his campaign Friday with a radio address which was arranged by War Veterans who are friends and supporters. The veterans not only purchased radio time but bought 15 thousand circulars from the Rockdale Reporter to be distributed by airplanes over the counties advertising the radio address.

Mr. Haley will speak from station KWHI Brenham from 7:00 to 7:15 a. m. Friday, July 23. This station 1280 on your radio dial. He will speak again from 1:45 to 2:00 p. m. over station KTAE Taylor which is 1260 on your radio dial.

Mr. Haley said he would discuss his platform in a heart to heart talk with the people of the District.

Mr. Haley, a business man, entered the race because of what he said was an opportunity to do something for the people. "There have been 12 lean years for our people," he said, "old people denied their full pension because of the 35 million dollar ceiling. If I had been a member of the Legislature I would have voted against this. Our teachers were not paid, we have no roads in the 65th District, plenty of them elsewhere. How can the rural district and small towns exist much longer if we do not organize and fight for the simple reason that we pay taxes and get nothing back. The people depend on their representative and in our case we might as well vote for a member of the Legislature in Dallas county."

There are other things in his platform like the Bonus for Veterans. Mr. Haley said that veterans have not been fairly represented in Texas and that if he is elected he will actively support any effective plan that will give them the bonus, or any other benefit to which they are entitled. It is largely upon his frank stand on this and other related questions that has brought War Veterans to his support in all sections of the district.

Since Redistricting is not so much a state issue as it is local, Mr. Haley has had the foresight and the courage to speak out on this. In his first announcement he pointed out that the counties of the 65th District should be permitted to retain what they have, that he deplored the suggestion that redistricting could justly be done by a Board named by the governor. He was speaking of the Constitutional Amendment which would provide that the Governor name a board if the Legislature in fact did not perform its constitutional duty before 1950. "What chance would small counties like us have with a board named from the populous centers," he asked. "I have never seen anything to compare with this. Why, it simply means that we could lose our courts and have our districts smashed, lose our representation. One bill which came near passing in the last session would have abolished Milam county as a sovereign district No. 64 and placed us with Bell county in a flatorial arrangement. Now, if Lee and Burleson

SGT. FRANK C. CHERNOSKEY

SGT. CHERNOSKEY WILL BE BURIED IN CAMERON

Funeral services for Sgt. Frank C. Chernoskey, 30, will be held in Cameron at 9 a. m. Friday, July 23 at St. Monica's Catholic church with Rev. George J. Duda, conducting.

Sgt. Chernoskey died from wounds sustained in battle near Finschafen, New Guinea on March 21, 1944. He had been an enlisted man in the Cavalry and trained at Fort Bliss before his unit, a crack fighting outfit, went to the Pacific theatre of war.

The body arrived in Cameron at 3:27 a. m. Thursday, July 22 over the Santa Fe and was taken to the Marek-Burns Funeral Home.

The American Legion, Edwin Hardy Post No. 9, led by Post Commander Joe Gerick, will conduct a military funeral.

From the church the body will be taken to St. Monica's Cemetery near by for interment. Members of the Legion will be pall bearers. The body will remain at the Marek-Burns Funeral Home until 9 a. m. Friday.

Sgt. Chernoskey was first buried in the United States Military Cemetery in Finschafen, New Guinea.

Sgt. Chernoskey was a volunteer, having entered the regular army on September 30, 1940. He had lived at Ben Arnold.

Surviving are the following relatives: Mrs. Rosa Chernoskey, mother, Ben Arnold, Steve Chernoskey, brother, Ben Arnold, Mrs. Gladys Hosch, sister, Fantana, California. Half brothers and sisters are: Joe Chernoskey, Ben Arnold, Mrs. Frank Tomek, Cameron, Mrs. Willie Malovich, Buckholts, Mrs. Frances Hoerker, Brenham, Mrs. Maggie Pavelka, Casper, Wyoming.

WEEVIL INFESTATION IN MILAM COUNTY

The boll weevil infestation is on the increase in most parts of Milam County, states J. W. Stufflebeme, Jr., County Agent, and cotton farmers are urged to carry out control measures as soon as possible. Fields have been checked in most parts of the county with the infestation running from 20 to as high as 70 per cent. Cotton should be dusted when the infestation reaches 20 per cent, which means that 20 out of every one hundred squares examined have been damaged.

To make an accurate check of their fields, farmers should walk diagonally across the field picking 100 squares at random from the top, middle, and lower limbs of the cotton stalk. The squares are then examined and the per cent infestation determined. This procedure should be carried out at weekly intervals during the weevil season.

Unless the infestation is unusually high, two applications of one of the following insecticides will give good control: Calcium arsenate, 7 pounds per acre; 20 per cent toxaphene, 10 pounds per acre; or 3-5-40 benzene hexachloride at the rate of 10 pounds per acre. The applications of poison should be made at five day intervals.

Dust applications should be made when the air is calm. The presence of dew is not necessary, and the application should be repeated if washed off within 24 hours.

Mr. and Mrs. Sam Terry and children of Houston spent the past week end with their friends and relatives in Cameron.

CAMERON GETS FIRST BALE

CANDIDATES RALLY AT ROCKDALE

WAR WITH RUSSIA NEARING

JOHN A. SMITH FIRST TO PRODUCE IN 1948

The first bale of 1948 cotton was ginned at the Weems gin here Wednesday morning.

John A. Smith brought the bale in from his farm near Branchville. The truck was loaded with 1250 pounds of seed cotton and after the bale was ginned there were 650 pounds of seed.

Robert Weems, owner of the gin, telephoned the Daily Herald that he had received the bale brought in by Mr. Smith. The bale cleared the stands around noon.

The date of the 1948 first bale compares well with early bales in other seasons. The continued dry weather has matured the crop fast and while cotton generally does not need rain hot weather may bring early picking.

The crop estimate for the county may show an increased acreage. Generally plantings are late due to the lack of rainfall in the early season.

COMMISSION DECREE SERVICE TO CONTINUE

The Texas & New Orleans Railroad must operate passenger trains 51 and 52 over their lines through Cameron, it was decreed by the Railroad Commission Monday.

Chairman Olin Culberson in a letter to Judge Dan Tyson revealed the decision reached by the Commission. The decision as written reviews at length the reasons why the Commission has decreed that the railroad company must continue to operate the trains.

Judge Tyson sent his copy of the communication to The Daily Herald early Tuesday so that the people here who are vitally interested could have the good news.

When the T&NO railroad company made application to the Railroad Commission for authority to discontinue the trains protests were filed from all towns from Waco to Yoakum. Almost a year ago a protest meeting was held in Rockdale where delegations from many points converged to demonstrate the temper of the people. All towns north of Cameron would have had no passenger train service whatever since the T&NO is their only rail line. Cameron, Rockdale were more fortunately situated since the Santa Fe runs through Cameron and the Missouri Pacific through Rockdale.

The railroad company wanted to discontinue the trains because they do not make money, in fact lose money. The Railroad Commission did not agree in total with this statement, and in addition feels that the railroad company has some responsibilities to the public which cannot be measured in terms of profits.

So passenger trains from Waco to Yoakum will have to be operated.

Harry Haraway's Western Auto Store Observes Anniversary

Harry Haraway's Western Auto Store is celebrating its eleventh anniversary this week with a big merchandising event.

Mr. Haraway established this store in Cameron in 1937 and except for the months when military service interrupted, he has continuously operated the business. While away Mrs. Haraway managed the store.

Recently Mr. Haraway moved to his present location on East 2nd Street next to the Milam Theatre where he has a brand new store filled with merchandise.

The sale this week to celebrate his 11 years in business is important to buyers. Literally hundreds of items are included in these bargains and all through the store the anniversary celebration says it with lower prices.

SPEAKING SCHEDULE FOR FRIDAY NIGHT

A big political rally and candidate speaking has been announced for Rockdale Friday night, July 23.

Special arrangements were being made to see that all candidates who wish may announce. It will be the first such rally in the county during the present campaign. The rally will close the campaign since Saturday is election day.

Precinct candidates in Precinct 4 originated the plan and they have asked Frank M. Haley, candidate for Representative 65th District to be master of ceremonies.

All county and district candidates are invited to attend this big rally to close out the campaign.

NEAL PARKER SHOOT HIMSELF LATE FRIDAY

J. C. (Neal) Parker, aged 63 years, 4 months and 18 days, took his life by a self inflicted shotgun wound in the chest sometime late Friday afternoon of last week at the home of Robert Bryant, who resides 6 or 7 miles south of Thorndale.

The deceased made his home with Mr. Bryant and as Mr. Bryant was in town all day Friday until late afternoon, he did not know what time the tragedy occurred, however, it must have taken place before Mr. Bryant arrived home late Friday afternoon. Upon arriving home Mr. Bryant went about his usual chores and routine about the place and did not pay particular attention as to whether or not Mr. Parker was in his room and retired at his usual time, however, upon awakening Saturday morning he made breakfast and called to Mr. Parker, and received no response he went into his room and discovered the gruesome scene.

Mr. Parker had tied a piece of bailing wire to a bed post and then attached the other end to the trigger of the shotgun and sat down on the bed and placed the shotgun barrel against his breast and pulled the trigger. The discharge of the gun tore a large hole in his breast with evidently sudden death. Judge E. C. Hoppe held an inquest over the body and rendered a verdict as stated above that death was caused by shotgun wound self inflicted.

The remains were interred in the I. O. O. F. cemetery at Rockdale on Saturday afternoon with the Phillips and Luckey funeral directors in charge of the arrangements.

The deceased was born in Milam County, February 22, 1884, and had made his home in Thorndale for the past several years. Surviving relatives are said to be one brother, Wade Parker of Milano and one son, Cecil Parker of Dexter, New Mexico.—Thorndale Champion.

Disabled Veterans Name Officers

Disabled Veterans of Sam Tyson Post No. 18 have enlisted the following officers.

Valon Fogle, Commander, Frank Mikulec, Vice Commander, John Henry Wilson, Junior Vice Commander, Shirley McLean, Adjutant, M. H. Nance, Treasurer, Homer Allen, Sergeant at Arms and H. B. McClellan, State Committeeman.

The post, organized some two years ago honors the name of Lieut. Sam Tyson, son of Judge and Mrs. Dan Tyson, who was killed in action in the skies over France as a bombardier or a fortress bomber.

Mr. and Mrs. A. A. Kretschmar have returned from an extended vacation tour to Arkansas, Missouri, Kentucky, Virginia and many other adjoining states. They visited Mrs. Kretschmar's people in and near Allen Town, Pennsylvania.

GENERAL CLAY GOES TO SEE PRESIDENT

General Lucian D. Clay, American commander in Germany arrived this afternoon in Washington by air and went directly to the White House to confer with President Truman and other government leaders.

War with Russia seemed imminent.

Secretary of State George C. Marshall said early Wednesday that if war comes Russia will have to start it but that "we will take nothing further from Russia and we will not get out of Berlin."

Meanwhile air raid warnings were put into effect in England.

General Clay, it was said regarded the situation so gravely that he lost no time in getting to the White House.

The United States government was sending greatly increased numbers of jet fighting planes to Germany in the event of need if war comes.

Momentous decisions were said to be in the making in Washington with all western nations taking part.

The Russian blockade of Berlin has precipitated the worst situation in the long series of disagreements with the Reds.

POLIO PREVENTION IN CITY LAUDED BY SWIFT

Dr. Clifford G. Swift, Milam County Health Officer, and director of the recent Polio Prevention campaign in Cameron, told Rotary Club members and their guests Wednesday, that the effort here was a model of community co-operation and the results have been most satisfactory.

Dr. Swift took advantage of his address to express the thanks of the entire committee, commending heartily all the numerous workers who had a share in the work.

Dr. Swift said that 33 trucks were placed at the disposal of the committee and that during the first day 156 loads of refuse from premises in the city were dumped. Later, he said that Mayor Griffith had arranged to have city trucks at a nominal cost take away additional refuse.

Speaking with the accustomed reserve of a doctor when Polio is the topic, Dr. Swift said that too little as yet is known as to the spread and causes of this dread disease. Polio is a virus disease, he said, and doctors have begun experimental vaccination as is done in smallpox and other similar diseases for prevention.

That vaccination may yet prove an effective prevention, he surmised. He said that such vaccinations are not in the least harmful and doctors generally are coming to the point of employing this remedy. Dr. Swift said it was significant that the spread of Polio had been relatively limited where known methods have been applied.

Dr. Swift said that the current Texas epidemic seems more pronounced as to communication of the disease than previous outbreaks and pointed out that 6 cases had occurred in 3 Cameron families, as proof.

Since the vaccinations and the clean up no cases have been reported.

J. O. Hughes and Wife Visiting Here

Mr. and Mrs. J. O. Hughes are here from their present home in Alabama. They expect to return home shortly.

Mr. and Mrs. Hughes own a fine 175 acre farm at Ad Hall and call this their home, always returning to vote here. They both teach school in Alabama.

Each year when they plan to return home the people there insist they take another contract to teach. Those who know them can well understand this for they are fine citizens and have many friends here.

Delphya Scott One Of Correspondents At Waco Meeting

Miss Delphya Scott, veteran newspaper correspondent in Cameron, was one of the large number of delegates recently entertained at a news clinic in Waco sponsored by the Waco newspapers.

Miss Scott was accorded unusual honors for her long years of service to these papers. She has been a writer for The Herald for more than 20 years and says she values this connection above all other positions she has held as a correspondent for daily newspapers from Cameron.

Miss Scott owns the Retail Merchants Association in Cameron.

Mrs. Garrett Beckhusen of Buchholz shopped in Cameron recently.

MRS. KATIE D. WALLER TO BE BURIED SUNDAY

Mrs. Katie D. Waller, 74, died at her home in Milano Friday afternoon July 18. She had been critically ill for several days.

Mrs. Waller had been a resident of the Milano community for a number of years.

Surviving are two sons, M. L. Waller of Milano and Temple D. Waller of Fort Worth, two daughters, Mrs. O. W. Byas of Fort Worth and Mrs. John Hinojosa of Rio Grande City. One sister and one brother survive as follows: Mrs. Frank Mathews of Marshall and John Farmer of San Bernardino, California. Twelve grand children and one great grand child also survive.

Funeral services were due to be held Sunday morning, July 19 at 11 a. m. from the Methodist church in Milano with Rev. Roy Hardison, pastor, officiating. Interment will be made in the Milano cemetery with the Green Funeral Home directing arrangements.

The body of Mrs. Waller was at the Green Funeral Home in Cameron until the funeral hour on Sunday. Pall bearers are: John Hinojosa, Omas Byas, J. D. Peoples, Jim Swartz, Hugh Wimberly, Elbert Westbrook, Jess Moreland and Wilbur O'Neal.

Mrs. W. T. Condray of Hoyte was in Cameron one day the past week.

HIGHEST RANKING U S GENERAL TO BE BURIED

(From the Daily)

WASHINGTON, July 16—A mighty military cortege will escort General Pershing to his grave in Arlington national cemetery Monday.

In it will be two elements symbolizing the long span of Pershing's military years—a cavalry horse like those he rode in the Indian wars, a flight of jet fighter planes used in this atomic age.

The army today unrolled the plans for the funeral of the 87-year-old general of the armies and World War I commander, a ceremony equalled in latter years only by that of the burial of the unknown soldier in 1921.

Thousands of men—army, navy, marines and air—will make the four-mile march behind the gun caisson carrying the casket from the Capitol rotunda to Arlington.

At the grave will be many of the famous of this nation—President Truman, his cabinet, high ranking officers of the military service. The list of those asked to come to the funeral include former President Hoover.

Following the casket caisson, to be drawn by six grey horses, will be the somber symbol of the dead cavalryman—a riderless black horse, its trappings black. In the stirrups, reversed with the toes pointing to the rear, will be a pair of cavalry-

man's black boots.

As the procession, with these traditional trappings, moves slowly down Constitution avenue, the flight of eight jet planes will give modern "air cover" for the general on his last march.

Three days of ceremony will attend the general's burial.

On Monday, Pershing will join the other soldiers of World War I who sleep in Arlington, just down the hill from the tomb of the unknown soldier.

Mrs. John Whitley and Mrs. Connie Newman of Silver City were Cameron visitors recently.

Now, for the first time, selected Ford Dealers bring you the Anglia and the Prefect—in England, the most widely sold cars in their price class.

It's easy to see why they're so much in demand. While their traditionally shorter English wheelbase in no way detracts from their riding comfort (plenty of leg- and head-room) it does make them delightfully easy to handle in traffic or to park, and it results in amazing gasoline and oil economy.

The Anglia and the Prefect are made with typical

English craftsmanship and the traditional Ford dependability. They are built to last. They are designed especially for American requirements, with left-hand drive, standard gearshift, chrome trim and other features.

See these distinctive cars today and you'll see why during this postwar period, the Anglia and the Prefect are the largest selling low-priced cars in England.

REGISTRATION BEGINS WEDNESDAY JULY 21

WASHINGTON, July 17 —Major Gen. Lewis B. Hershey got his old job back today.

He's director of selective service again.

Hershey's formal re-appointment by President Truman was another step toward national preparedness as unrest in Europe continued.

The task of assembling manpower is one with which Hershey is highly familiar.

He first was appointed director of selective service in 1941 and was responsible for setting up the organization under which 10,000,000 men eventually were supplied the armed forces, and under which some 36,000,000 men were registered and classified for military service.

This time Hershey's prime job is the registration of youths 18 through 25 under the new peace-time draft act.

An executive order dealing with

registration will be issued by President Truman next week, the White House announced.

The order in which various age groups will be called among those eligible for service under the draft has not yet been disclosed.

Registration of males from 19 through 25 is expected to begin about Aug. 16.

Only those between the ages of 19 and 25 will be subject to the draft. Meanwhile 161,000 of the 18-year old group can volunteer for a special one-year term of duty in the armed forces.

The army, navy and air force will begin accepting enlistments from 18 year olds beginning next Wednesday July 21.

Enlistment of the 18-year old volunteers will be conducted by regular recruiting officers of each branch of the department of defense.

THE HERALD

NO DRAFT BOARD HAS BEEN SET UP HERE

No draft board had been announced for Milam county so far as this newspaper could ascertain Monday.

With registration of young men announced to begin on July 21 local observers felt the time is short in which to organize such a board or to get information to the men in time.

Whether registration was to be undertaken in zones throughout the country and a later date fixed for this area, could not be learned.

Under the peace time draft legislation normally only one board would be set up in a county. During the war years two boards were necessary in this and similar counties.

JIM GRIFFIN VISITS IN CAMERON FRIDAY

Jim Griffin of Hidalgo county, but an up-state Texan, who was born in Kaufman county, was in Cameron Friday.

He is a candidate for State Commissioner of Agriculture. Mr. Griffin said he had visited every county in Texas and had met with so much encouragement he felt he would surely win his race.

The people of Texas have stood for a lot of things from the present Commissioner. His latest involvement is an indictment by a federal Grand Jury. J. E. McDonald has held the office for many years, has been as lucky as any man who ever lived. He has won so many contests he seemed unbeatable. McDonald was indicted by a federal grand jury and must stand trial for violating a federal law relating to registration of operative in stock market.

McDonald not only failed to comply with the law he was revealed as a speculator in farm commodities on the exchanges for having sought to influence legislation that would aid him to make money as a private speculator while holding a public

office and that of agriculture commissioner.

McDonald has notoriously flouted his Democratic pledges. He wins in a Democratic Primary and votes Republican in November.

The voters of Milam county have long since caught up with McDonald. Mr. Griffin, a young man, tall, strong and good looking, in fact could double for Wild Bill Elliott of the films, but he is a dirt farmer, born to the soil and just about the best prospect that has come along in years to take over a job long neglected.

Mr. Griffin was born in Kaufman county on a farm near Kemp in 1917. As a boy he worked on the farm while attending Kemp schools. He graduated from Kemp High School after winning state championship in extemporaneous speaking. The farm boy was coming along. He worked his way through Sam Houston State Teachers College at Huntsville, majoring in Agriculture. He was a teacher at Sugarland for 4 years. He entered the U. S. Maritime service after special war duty with the United States Department of Justice. He is a successful farmer at Misison, Texas.

Griffin is a good campaigner. He has made one of the most remarkable campaigns in the history of the state,

a man to man canvas. Around the square Friday he handed out more cards than some candidates give away in an entire campaign. He said for the first time McDonald is bottled up. If he campaigns or uses the newspapers he faces the embarrassing recurring statements that he is under federal indictment.

Mr. Griffin said: "A public official should be a public servant. The office of State Commissioner of Agriculture must be returned to the people of Texas."

Drew Pearson Says U S Won't Back Down In Berlin Crisis

Secretary of State George Marshall has informed President Truman the Berlin situation is "so grave hostilities could begin any moment," Columnist Drew Pearson said in his Sunday broadcast.

Pearson said the President believes, however, that Russia will back down and that war will be averted. Both agree the United States cannot afford to back down, the columnist added.

Noting that the State Department was maintaining around-the-clock contact with officials in Europe, Pearson said Marshall personally vetoed as "too dangerous" proposals that the Allies arm a train and attempt to ram through the Soviet blockade around the German capital.

TAKE TIME TO BE SAFE

The loss of an arm or leg is a high price to pay for saving ten seconds. When operating power machinery, take time to be careful.

Your life will be safer if you...

Observe these simple rules:

- 1 Shut off P.T.O. before attempting to unclog corn picker, baler, etc.
- 2 Keep all shields in place when operating machine.
- 3 Don't trust defective hitches, brakes, clutches, seats.
- 4 Never mount or dismount from a moving tractor. Don't ride on drawbar.
- 5 Don't wear loose, floppy clothing around power machinery.
- 6 Think first. After the accident it is too late.

This year a disabling injury probably will strike some farm person every 19 seconds. Don't let carelessness put your name on that list.

Tokyo Ceremony Unites In Marriage Burlington Man and Oregon Girl; Army Chaplain Performs Nuptials In The Capital of the Mikados

GHQ SPECIAL NEWS SERVICE, TOKYO, JAPAN—The GHQ Chapel Center was the scene of one of Tokyo's loveliest spring weddings, when on Tuesday, May 25, 1948, at four p. m. in a double-ring, candle-lit ceremony, Miss Joan Racanelli, of Portland, Oregon, became the bride of Army Technician Fourth Grade Edward L. McCollum, of Burlington.

Reading the solemn and beautiful Protestant nuptials, was Army Chaplain (Lt.) S. L. Armstrong, of Montgomery, Alabama. In this, his 72nd wedding ceremony performed in service, Chaplain Armstrong united the couple whose introduction and courtship in this theatre, culminated in marriage.

The pair repeated their vows before an altar decorated with candle-bra, Callah Lillies, and other seasonal blossoms. Preceding the ceremony, the chapel, organist played traditional wedding hymns, and favorite selections of the bride and groom.

Pretty, dark-haired Miss Racanelli, was given in marriage by Technician Fourth Grade Lawrence Donahue, presently attached to General

MacArthur's Headquarters in Tokyo with the Adjutant General's Distribution Branch. The bride chose a suit of pale Grey gabardine, fashioned on fitted, tailored lines, with a dress-maker motif. She wore white accessories, and a large white orchid pinned to her shoulder.

Miss Edna Warren, Portland, Oregon, friend of the bride, was Bride's Maid. She chose a Coral gabardine suit, styled on the same lines as the bride's, with navy blue accessories. Her corsage consisted of pale yellow tea roses. Miss Warren is employed as Department of the Army Civilian at General MacArthur's Headquarters in Tokyo with the Economic Scientific Section.

Performing the duties of Groomsman, was Technician Fourth Grade Lawrence Donahue, friend of the Groom, who also gave the bride away.

Following the ceremony, a reception was held for a few friends in the club-rooms of the Chapel Center. There the newly-weds cut their four tiered wedding cake. Present were members, and Section Chiefs,

of the Bride and Groom's offices in Tokyo.

Journeying to the famed luxury resort, Gamagori, on the Japanese Riviera, the pair spent their honeymoon at one of the more picturesque resorts in the world. Tec. 4 and Mrs. McCollum will make their home in Tokyo.

The former Miss Racanelli, is the daughter of Mrs. M. Racanelli, of 3957 S. E. Cora Street, Portland, Oregon, and Mr. John Racanelli, of Box 380, Bonneville, Oregon. Tec. 4 McCollum is the son of Mr. and Mrs. Lee McCollum, of Box 99, Burlington, Texas.

Prior to arriving in Japan, at General MacArthur's Headquarters in Tokyo, Miss Racanelli was employed with the Farmer's Automobile Insurance Exchange in Portland, Oregon, as Underwriter. She arrived in Tokyo on October 8, 1946, and is a Department of the Army Civilian employee. Her present assignment is with the Natural Resources Section of General MacArthur's Headquarters in Tokyo as Stenographer.

Tec. 4 McCollum is a member of the Allied Occupation Forces in Japan. He arrived at General MacArthur's Headquarters in Tokyo during July, 1946. His present assignment in this theatre is as Distribution Clerk in the Adjutant General's Distribution Branch.

Miss Doris Powell And Frank Hanel Married Here July 7

Miss Doris Powell, daughter of Mr. and Mrs. D. B. Powell, and Herman Hanel, son of Mr. and Mrs. Frank Hanel, were married at St. Monica Catholic church, Wednesday morning, July 7. Rev. George Duda, pastor of the church performed the double ring ceremony before an altar banked with marigold and fern.

Miss Christine Michalka, organist, played the traditional wedding marches and the wedding music. "Ave Maria" was sung by the choir.

The bride wore a white satin gown with a finger tip veil of illusion. She carried a white prayer book topped with a nosegay of gladioli and sweet-peas. Her only jewelry was a gold cross. The cross and prayer book belonged to the bridegroom's grandmother, the late Mrs. Anton Kunz, who used the prayer book in her wedding in 1884.

Maid of honor was Miss Rita Hanel sister of the groom. She was dressed in a blue dotted swiss gown, fashioned like that of the bride, and carried a bouquet of pink gladioli. Bridesmaids were Miss Dottie Hanel, sister of the groom, and Miss Katherine Sutter. They wore gowns like that of the maid of honor.

Clarence Hanel, served his brother as best man, Eugent Mitcham and James Kunz attended the bridegroom. George Hollas and Pete Kunz served as ushers.

A reception was held at the home of the groom's parents. The dinner table was laid with a white lace cloth and centered with the three tiered cake, topped with a miniature bride and groom. White asters and fern were laid in rows the length of the table.

The bride graduated from Yoe High School in the 1948 class. The bridegroom graduated in 1944 and spent two years in army air corps.

After a wedding trip to San Antonio, the couple are making their home here where Mr. Hanel is in business.

Rosa Lee Tindall And A. B. McFarland Married Here July 10

Miss Rosa Lee Tindall, daughter of Mrs. Wade Tindall became the bride of A. B. McFarland in a church wedding Saturday evening, July 10 at 8:30 p. m. Rev. W. O. Angell read the wedding ceremony.

The church was decorated with colorful zenias. Mrs. Dwight Price, Sr. played the wedding march, "Here Comes the Bride" after which Mr. Dwight Price, Sr. and daughter, Mrs. Wanda Martin sang, "His Love is all I need".

The bride was dressed in a navy blue street length frock with navy blue and white accessories. She wore a shoulder corsage of white carnations. The bride and groom were at-

tended by Mr. and Mrs. Earl McFarland, brother and sister-in-law of the groom. Mrs. McFarland was dressed in a blue frock with black and white accessories and a shoulder corsage of white carnations.

The bride is a graduate of Yoe High school after which she was employed with the local Chamber of Commerce, The Newton Memorial Hospital and is now employed with The Cameron Herald.

Mr. McFarland is now located in Cameron, where the couple will make their home.

Out-of-town guests for the wedding were: Mr. and Mrs. Ora Arnold and Carolyn of Killeen, Tommie Buffington of Houston, Mr. and Mrs. Martin and children of San Antonio.

town each night till Monday night then Rev. Bledso will have charge the rest of the week. The public is invited to attend and help with the meeting.

CHRISTIAN SCIENCE SERVICES

"Truth" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, July 25.

The Golden Text is: "Ascribe ye greatness unto our God. He is the Rock, his work is perfect: for all his ways are judgment: a God of truth and without iniquity, just and right is he" (Deuteronomy 32:3, 4).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "All the paths of the Lord are mercy and truth unto such as keep his covenant and his testimonies" (Psalms 25:10).

The Lesson-Sermon also includes the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "No wisdom is wise but His wisdom; no truth is true, no love is lovely, no life is Life but the divine; no good is, but the good God bestows" (page 175).

Mr. and Mrs. Paul Repa of Granger spent the past week end with their children in Cameron.

PRESIDENT PUTS THE GOP ON THE SPOT

A whooping political battle in the nation was whipped up Thursday when President Truman issued a formal call to convene the Congress and at the same time challenged the Republican controlled body to make good on their platform and also to do the things they failed to do in the 80th session.

The formal date of the assembly is July 26.

The President has indicated he will submit: Civil rights, price control, housing, federal aid to schools, broadened social security, a boost in minimum wages, and a law permitting a decent basis for admission of displaced persons from Europe.

All these proposals are steeped in controversy.

Senator Albin Barkley of Kentucky praised the action of the President as "a courageous and proper thing to do."

Miss Beatrice Tindall of Harlingen is spending this week in Cameron with her parents, Mr. and Mrs. John Tindall and other relatives. Miss Tindall is a student nurse at the Baptist Hospital in Harlingen.

More Than 80 Votes Cast By Absentees

More than 80 absentee votes had been cast here for the July 24th Primary up to Thursday night.

The number was said to be about average for absentee voting prior to primary elections. July 20 is the last day an absentee vote can be cast.

Election returns will be received and broadcast on election night from the court house. Sheriff Carl Black has placed at the disposal of the Democratic Executive Committee an office adjoining his department and a telephone has been installed.

Lee Hage of Austin visited Miss Rebecca Lewis one day this week.

STRONG AMERICAN NEED IN WORLD SAYS POAGE

Congressman Bob Poage is certain that if America remains strong that Soviet Russia will be more strongly impressed than if we as a people rely on the Marshal Plan and other subsidies to foreign countries.

Poage took advantage of a courtesy to Lions Club members here Tuesday evening to discuss the world outlook and the work of the 80th Congress.

The occasion of the address was the annual Ladies Night program with installation of officers for the new year.

Judge Dan Tyson introduced the Congressman and in his remarks told about the activities of the Lions Club. He is the retiring President.

The Congressman on his visit here revealed that he will leave shortly for Rome where he will attend the session of the Parliamentary Union. He had been advised by Senator Barkley that he had been named one of the delegates from the United States.

Mr. and Mrs. Hugh Ridout and Beatrice Tindall spent Saturday in the home of Mr. and Mrs. Julian Harris of Waco.

Mr. and Mrs. Jack Cammer and daughter, Sharon are on a two weeks vacation trip to New Mexico and Carlsbad.

WORLD ORGANIZATION PUTS ON PRESSURE

The Security Council of the United Nations ordered the war in the Holy Lands between the Jews and the Arabs to cease within 3 days.

The action came late Thursday night after a 3 day debate. The action was the first to take place under the World organization to preserve the peace. The Security Council is empowered under the charter to apply force if necessary to stop wars and conflicts involving arms.

The Jews indicated they would be inclined to obey the order. The Arabs had made no response to the order.

If either side disregards the order, under the charter it would be called a breach of the peace. Then would follow, if the nations have courage, armed intervention or sanctions. The latter were ineffective to stop Italy in the undeclared war on the Ethiopian empire in Africa.

Soviet Russia as usual refused to support the order, abstaining from a vote. Syria cast the lone vote against the action.

Kenneth Marak Gets Laughs at College; IS A&M Cartoonist

COLLEGE STATION, July 16—Kenneth J. Marak, son of Mr. and Mrs. J. L. Marak, Cameron, gets more laughs than any other student at Texas A&M College. Marak is chief cartoonist of The Battalion, student newspaper. He also draws cartoons for The Longhorn (college annual) and for three student magazines, The Commentator, The Engineer, and the Agriculturist.

A senior architectural student, Marak has been drawing for college publications since last spring. This summer he has a weekly feature "Question of the Week" which satirizes everything from professors to movie-goers. The drawings are so well done that some students find it hard to believe the pictures are created by one of their fellows.

Mr. and Mrs. Alvin Witcher and son Bobbie are spending a few days with relatives in Dallas while on a two weeks vacation. Mr. Witcher is with the Railway Express of Cameron and Mrs. Witcher is employed at Specialty Shop.

Firemen Here Hold Annual Barbecue

Cameron Volunteer Firemen held their annual barbecue at National Hall Thursday night.

Guests for the evening included city officials, Highway Patrolmen and their wives.

As has been his custom of years E. Vogelsang furnished the meat for the Barbecue. The Firemen here always appreciate the help given by Mr. Vogelsang.

A dance followed the barbecue.

SEN. BARKLEY IS VICE PRESIDENT NOMINEE

President Harry S. Truman was nominated in Philadelphia on the first ballot, receiving well over 900 votes.

Waiting at the convention hall the President whose special train arrived in the city while he was being placed in nomination. A few minutes later, with Mrs. Truman and daughter, Margaret, the President left the train and went to the convention as thousands cheered standing in a driving rain.

Senator Richard B. Russell of

Georgia the only other contender for the nomination received the votes of southern states, including Texas.

Senator Albin W. Barkley of Kentucky, veteran party leader, was nominated for Vice President on the first ballot after many distinguished convention leaders had seconded his nomination including James A. Farley, former Chairman of the National Committee.

The President and Senator Barkley, in the wee hours of the morning, accepted their nominations. When Truman was placed in nomination a demonstration was set off and it was with difficulty an hour later that Chairman Sam Rayburn restored order.

In accepting the nomination the President threw a bombshell by announcing that he would call Congress into session to give the Republicans a chance to make good on their platform. The President takes the position that the Congress, controlled by the Republicans, missed their chance during the 80th session.

Delegations from Mississippi and Alabama left the convention in protest over Truman's nomination. A call was issued by the governor of Mississippi for a conference next week to organize a southern party.

President Truman received 947 votes and Russell received 263 votes. The Texas Delegation, sent unstructured and under the leadership of Governor Jester, floundered all over the convention, finally casting the Texas vote for Russell of Georgia. Texas is bound by the Brownwood convention to support Truman because he is the nominee.

Southern delegates took a beating over civil rights and the tidelands oil and plan a revolt.

MINERVA REVIVAL

RUSSIA REJECTS 3 POWER PROTESTS

Russia has rejected the 3 power protests over Berlin blockade and in addition has countered with another restriction on travel.

Russia has accused the countries of United States, Britain and France with violation of an agreement by advocating a central government for Germany. Grave views were taken Thursday over developments.

The Reds said they would discuss the situation only if the other powers would agree to a 4 power control over Germany. This would give Russia a little veto over all actions and thus perpetuate the Red smear of the peace sought in Europe.

The stage was being set for a complete showdown. Unless the Diplomats give in to Russia trouble was certain to occur, if the Reds persist further. The alternative might be war.

Friends of Mrs. W. E. Penny of Cameron will regret to learn she is ill and a patient in Newton Memorial Hospital.

Mr. and Mrs. Roman Marak and daughters spent Monday and Tuesday in Waco visiting Mrs. Jo Bayer and Mr. and Mrs. Louie Faichtinger.

Ernest Mitchell of Rosebud was a business visitor in Cameron recently.

Esslinger Announces New Red and White Store For Cameron

Esslinger's Grocery in Cameron announces to-day a new Red & White Store for Cameron.

In taking on the Red & White system the Esslinger Store is holding a 3 day sale, lasting through Saturday.

Mr. Esslinger who recently bought the Green & Boedeker grocery and market across from the federal building, has installed much new equipment, notably fruit and vegetable refrigeration units. The store has been completely reconditioned.

Advance methods in grocery store merchandising is a feature of the Red & White system, plus buying advantages. Mr. Esslinger in thanking his customers for their patronage is beginning his 12th year in the grocery business here. He invites you to the store for special reasons during the next 3 days.

Mr. and Mrs. W. A. Engelke and little son of Houston spent the past week end with their grandfather, W. O. Fisher of Hanover.

Mrs. Garrett Beckhuse of Buckholts made a business trip to Cameron one day this week.

Swimming Pools Will Be Left Open Houston

HOUSTON, JULY 14 — The city and state health departments have agreed that swimming pools and the current polio outbreak in Texas are in no way connected.

City Health Officer Dr. Fred K. Laurentz said today he had discussed the matter with V. H. Ehlers, director of sanitary engineering of the State Department of Public Health.

Ehlers advised Dr. Laurentz that the department's standard procedure has been to recommend that swimming pools remain open, so long as they are conducted properly and chlorinated regularly.

Frank Rogers of Rosebud transferred business in Cameron last week.

WHY LABOR BOSSES ENDORSE THE OPPONENT OF... JUDGE JOHN A. RAWLINS

Candidate for Associate Justice Supreme Court of Texas

JUDGE JOHN A. RAWLINS

★ It is recorded May 9, 1945, in 188 S.W. Reporter 2d series, page 276, that James P. Hart, opponent of Judge Rawlins, was one of the attorneys for the labor unions in their unsuccessful and ill-advised attempt to enjoin the State Officials from enforcing the Texas law regulating labor unions, which was passed with the view of protecting public interest.

★ The Appellate Court, in upholding the law forbidding the unions from collecting work permit fees from non-union employees, reorganized the policy expressed by the Legislature in the preamble to the Act: "The right to work is the right to live."

★ Judge John Rawlins is under no obligation to either labor or capital. He is now completing 20 years of service as a State Trial Judge. He is a family man, a World War veteran, and a church worker. He has the endorsement of the Dallas Bar Association and is interested only in administering the law fairly and impartially in the interest of the public at large. He is a graduate of Texas University and Texas Christian University.

WHAT "Stepping Down" MEANS TO YOU

How the New Hudson, America's most streamlined car with the low silhouette, brings you roominess and comfort never before obtainable in an automobile.

You've seen them flashing by in all their sparkling color—those trim, gorgeous New Hudsons with the low, streamlined silhouette.

But have you really examined one of these amazing cars? They are the big news in the automobile world today!

Hudson, always known for great forward steps in the development of the automobile, and for efficient use of motive power, is again way out ahead with a motor car that hits a new high in efficient use of space—that makes a greater percentage of its total space actually available for your use and comfort.

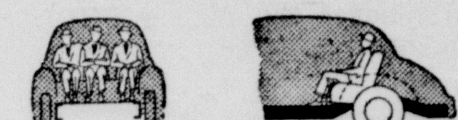

When you take a close look, you'll find that Hudson, through the use of a new, exclusive "step-down" zone, reclaims so much usually wasted space that this sensationally efficient car gives you more useful interior room than you've ever before experienced in an automobile.

This new kind of motor car has a sturdy foundation structure surrounding the passenger compartment, which permits the floor to be recessed down within the base frame so that you step down when

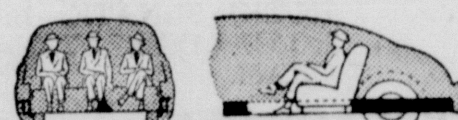

entering. This makes space between frame members, which is usually wasted, available for use inside the car.

Seats can thus be lowered to harmonize with the new, lower top, and by stepping down into Hudson, which is only five feet from ground to top, you get more head room than in any other mass-produced car built today!

And how about seating room? Hudson's new design reclaims space formerly taken up by wheel housings and protruding fenders. This is accomplished by placing rear seats ahead of the rear wheels, in a zone unrestricted by wheel housings. As a result, rear seats are 16 inches wider in this car that is only little more than four inches wider over-all. Both rear and front seats extend the full width of the body, giving Hudson the roomiest seats in any American-made car! Hudson's use of the "step-down" zone and unique seating arrangements are illustrated in the sketches that follow:

OTHER CARS—Passengers ride on top of a frame, as shown above, and (in the rear seat) between rear wheel housings, which occupy space that should be a part of seating room. Riding on top of a frame means that essential head room must be reduced if the roof is lowered for streamlining.

NEW HUDSON—You ride cradled down within Hudson's base frame, as shown above, and also ahead of the rear wheels. Seats can therefore extend full width of the car. Due to the use of the "step-down" zone, roof is lowered for streamlining, yet ample head room is provided.

The New Hudson even reclaims the unused space in doors by providing gorgeously tailored, recessed compartments where interior door handles, window cranks, ash receivers, and generous arm rests are placed out of the way to allow increased elbow room for passengers.

This development of Hudson's exclusive, all steel Monobilt body-and-frame with its "step-down" zone required years of engineering work, the perfection of new production techniques and millions of dollars in highly specialized new plant investment. This may be why Hudson, and Hudson alone, offers this important advance today!

"Stepping down" is so important to motor-car beauty, riding qualities and safety—as well as roominess and comfort—that the nearest Hudson dealer has a booklet—yours without obligation—fully explaining this design principle. Hudson Motor Car Company, Detroit 14.

tricts are realigned and they may be under the lack of concern some are manifesting, so that we could lose the court, be placed in a district with preponderant population advantage elsewhere and become as we have in other representation without hope that any here could be elected. "That could occur not only in Milam but in Burleson and Lee as well, but bear in mind that the Representative District does not have the same county lines as the Judicial Districts. In this situation of course Milam county would lose everything she now has in one of the oldest and ablest administered Judicial Districts in the state. I can think of no fight into which are thrown the fortunes of so many here at home. I am committed to keeping things like they are. We have yielded too much to the big

politically important counties."

Mr. Haley said that if new taxes are necessary he favors a natural Resource Tax. This he said would put the burden where it belongs and relieve the little people who pay heavily.

"When you get to pushing the little people around too much in this country somebody is going to get hurt," said Mr. Haley. "It is about time we restored our legislative representation in the 65th District to the people. Twelve years is a long time. Where is our share of the millions that have been poured out in the big counties of Texas? After I am elected I will know the answer to that question. I will get our share and you can bank on that," he concluded with emphasis.

Mr. Haley said he has been received with pledges of support in all sections of the district. He is a young man, 30 years old, has a wife and two children, one daughter, Frances, 11, and a son Frank, 3. He is engaged in the dry goods business in Rockdale and in Cameron.

LET'S RE-ELECT

HENRY G. LEHMAN

Floterial Representative

for Milam, Burleson, and Lee Counties

HE HAS PROVED HE IS QUALIFIED TO REPRESENT YOU BY THE RECORD HE HAS MADE BY HIS VOTE AND SUPPORT OF THE FOLLOWING MEASURES IN THE INTEREST OF THE PEOPLE

FARM TO MARKET ROADS

HE HAS VOTED FOR FARM TO MARKET ROADS. In 1941 he introduced and helped pass a bill giving ONE HALF OF SURPLUS MONIES in Highway Fund TO THE COUNTIES. The record will show he has voted for the same law each term that he has served, whereby his 3 counties have received their share of money each year since 1941. HE HELPED PASS A NATURAL RESOURCE TAX THROUGH THE HOUSE OF REPRESENTATIVES RAISING 30 MILLION DOLLARS BUT THIS BILL DIED IN THE SENATE. HAD EVERYONE VOTED AS HE DID ON FARM-TO-MARKET ROAD LEGISLATION WE WOULD BE ENJOYING A GOOD ROAD BUILDING PROGRAM.

OLD AGE PENSIONS

HIS RECORD IS 100% FOR THE OLD AGE CITIZENS. In 1945 he voted for and helped raise the maximum pension grants from \$30.00 to \$45.00. In 1947 he voted to remove the 35 million dollar ceiling. He is proud of the increase that has been given the old age citizens since 1937 when he first took office. THESE ARE NOT PROMISES BUT FACTS FROM THE RECORD.

SCHOOLS

He has voted for all bills increasing the salaries of our teachers and provided more money for our schools and colleges. The last legislature RAISED OUR EDUCATIONAL STANDARD to the highest level in the history of our state.

VETERANS BONUS

He voted in favor of submitting a Constitutional Amendment FOR A BONUS TO THE VETERANS OF WORLD WAR I & II. He has also supported all other veteran legislation.

TRACTOR GASOLINE TAX

He has successfully fought all attempts to take away from the farmers the Tractor Gasoline Tax Refund. He believes the farmer SHOULD NOT HAVE TO PAY THE TAX on gas used in his tractor.

OPPOSES RE-DISTRICTING

He has fought all attempts to re-district the state INCLUDING THE PROPOSED CONSTITUTIONAL AMENDMENT CREATING A BOARD TO RE-DISTRICT THE STATE. These bills had for their purpose taking away a number of Representatives from the rural sections and giving them to the larger cities. None of these bills have been fair to the district he represents.

EXPERIENCE

His experience best equips him to represent you. If you as an individual have a problem, he knows how and where to go to get the job done. For example, if you had a case in court, we know you would want an experienced lawyer to handle your case. A very considerable amount of important proposed legislation is scheduled for the next term and for this reason we desperately need the services of a veteran Legislator and Business Man like Henry G. Lehman. We urge you to vote to re-elect

HENRY G. LEHMAN, FLOTORIAL REPRESENTATIVE

MILAM, BURLESON, and LEE COUNTIES

We Need More Men In Office Like Lehman!
